WARE VALLEY GARDENS

Ware, Massachusetts

Dear Friends:

Thank you for your valued orders this past season. We have had a very successful season both in sales and in growing a new crop of bulbs. Our Gladiolus bulbs are grown from young stock which makes plump, vigorous and excellent blooming bulbs. All of our stock is fumigated and disinfected before planting to insure clean healthy bulbs for your planting and enjoyment. Our prices, considering the varieties offered, are in keeping with the times, not too high and fair to all. A trial order will convince you that our stock is all that we claim. Orders will be shipped soon after Nov. 15th when all stock is properly cured, or at planting time in the Spring, whichever you prefer.

Send us a trial order and you will become one of our new customers.

In the following list "L" means large bulbs which will measure 1¼ inches in diameter, or larger. Medium size bulbs are designated by the letter "M" and all will bloom this year. Small bulbs are designated by the letter "S" these are not sold as blooming size although many will bloom the first year.

Please do not order in smaller quantities than listed.

Our terms of sale are—all stock will be true to name, all orders are filled with overcount and worthwhile extra bulbs, (you might mention on your order what you would like for extras and if our stock of the varieties asked for is large enough we will just slip it in), no order accepted for less than \$1.00, all orders sent prepaid.

Discounts are as follows (cash with order)

\$ 3.00 to \$10.00 a discount of 10% in bulbs your selection
10.00 to 25.00 a discount of 15% in bulbs your selection
25.00 to 50.00 a discount of 20% in bulbs your selection

Special discount (cash with order) in addition to the above discounts. 10% in cash or bulbs of your selection, for orders received in November. 5% in cash or bulbs of your selection, for orders received in December.
